THE COURTHOUSE INTERIOR -- The care lavished on the exterior of the courthouse continues within. Marble wainscoting and stairs together with other faux marble or scalion decorative elements compliment beautiful leaded art glass ceiling treatments. The most spectacular of these ceilings forms a dome over the central rotunda and has been restored to its original splendor. The circuit courtroom illustrated above features an art glass dome, decorated ceilings, and marble columns as well as an allegorical mural, in subdued hues above the judge's bench.
