JOHN AND MINERVA KLINE FARM - 2715 East CR 400N -- This nineteenth century farmstead, is located in the countryside east of Huntington. Barns, outbuildings and stately white pine trees surround the statuesque, Federal style brick house which is a main focal point of the property. Some of its many features include a decorative, slate-shingled roof, six-over-six light double hung windows with limestone sills and lintels, as well as a tasteful porch supported by square posts and scroll-cut brackets.
